

COME JOIN US FOR A

STUDENT ROUNDTABLE LUNCH WITH AMBER PAIRIS

NOVEMBER 28, 2018

12:00-1:00 PM

ENR2 BUILDING, ROOM S225

Amber Pairis serves as the Director of the Climate Science Alliance, a network of partners seeking science-based solutions. She also leads several initiatives related to terrestrial ecosystem resilience and natural resource conservation, including innovative community engagement programs.

Co-hosted by the Center for Climate Adaptation Science and Solutions and the School for Natural Resources and the Environment.
